

11. Renovation, Expansion and New Construction Option for Jail

Because the site option analysis yield only one feasible option, to the east, the client/consultant team agreed to develop option scenarios which allowed the operational space program and its priorities to be satisfied in a variety of ways over time.

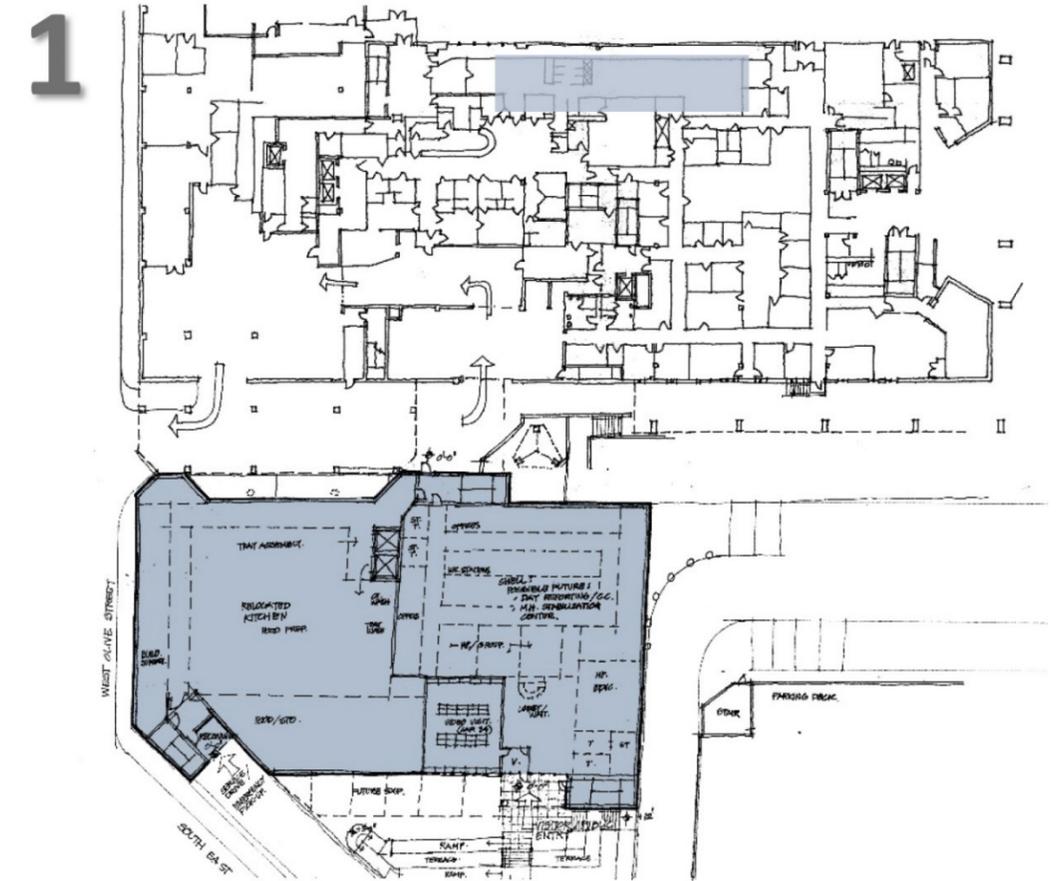

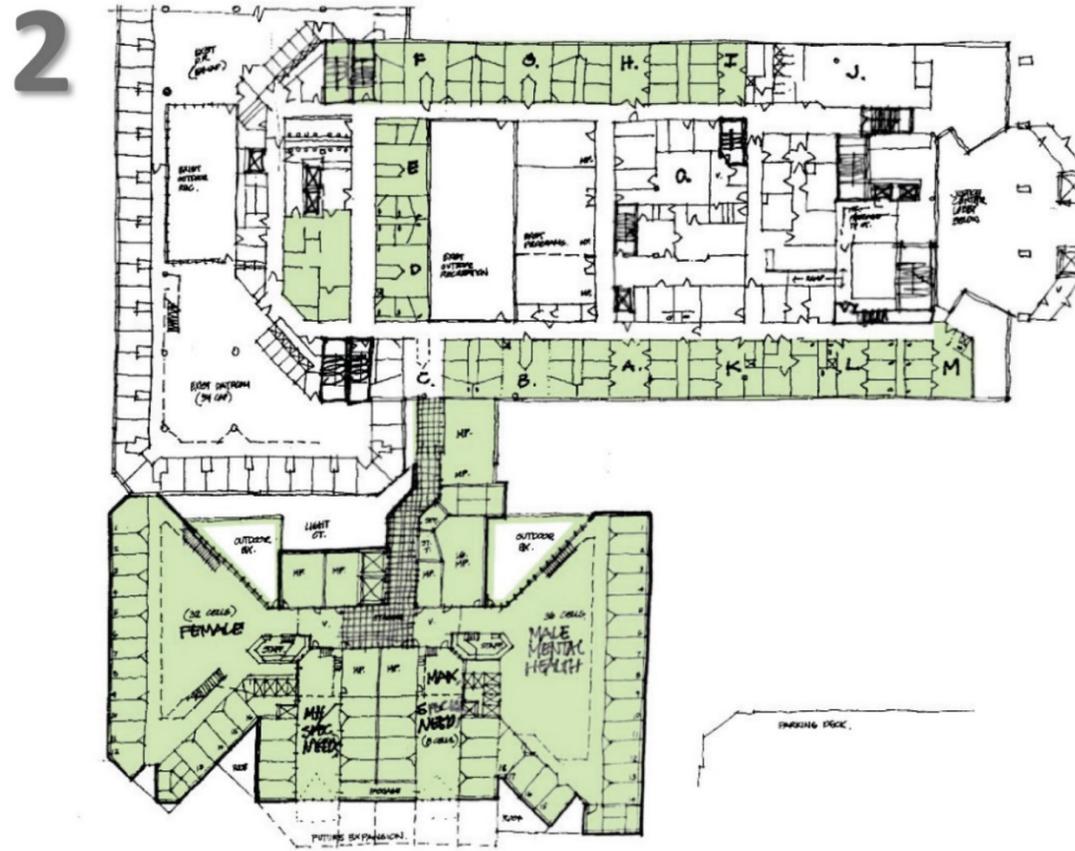

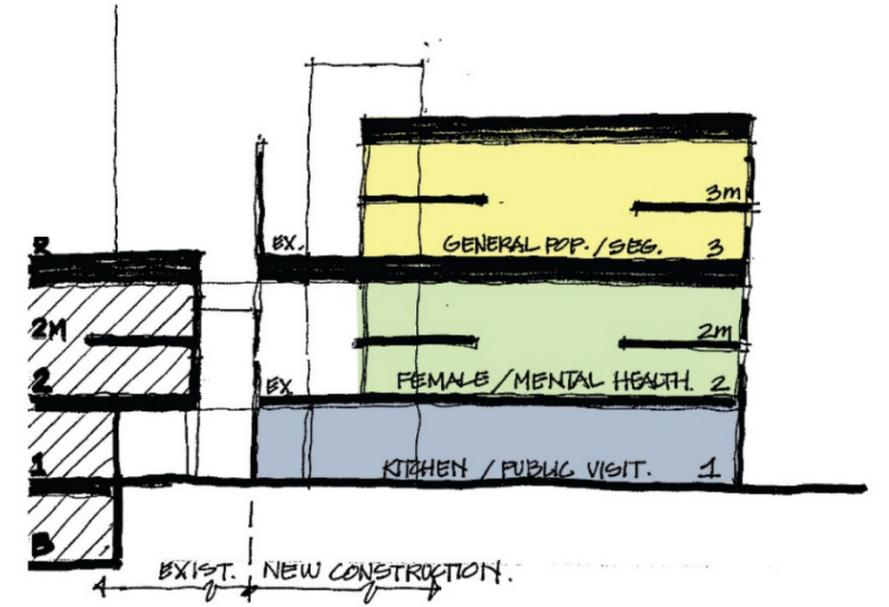

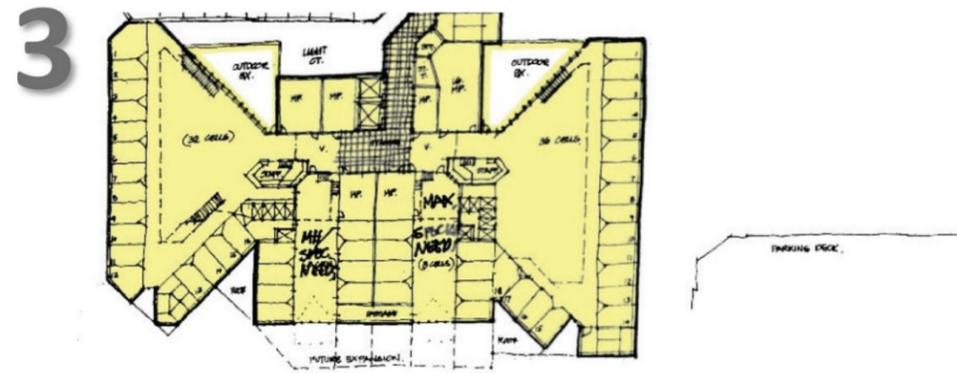

Option Scenarios

Option Scenarios

Scenario A

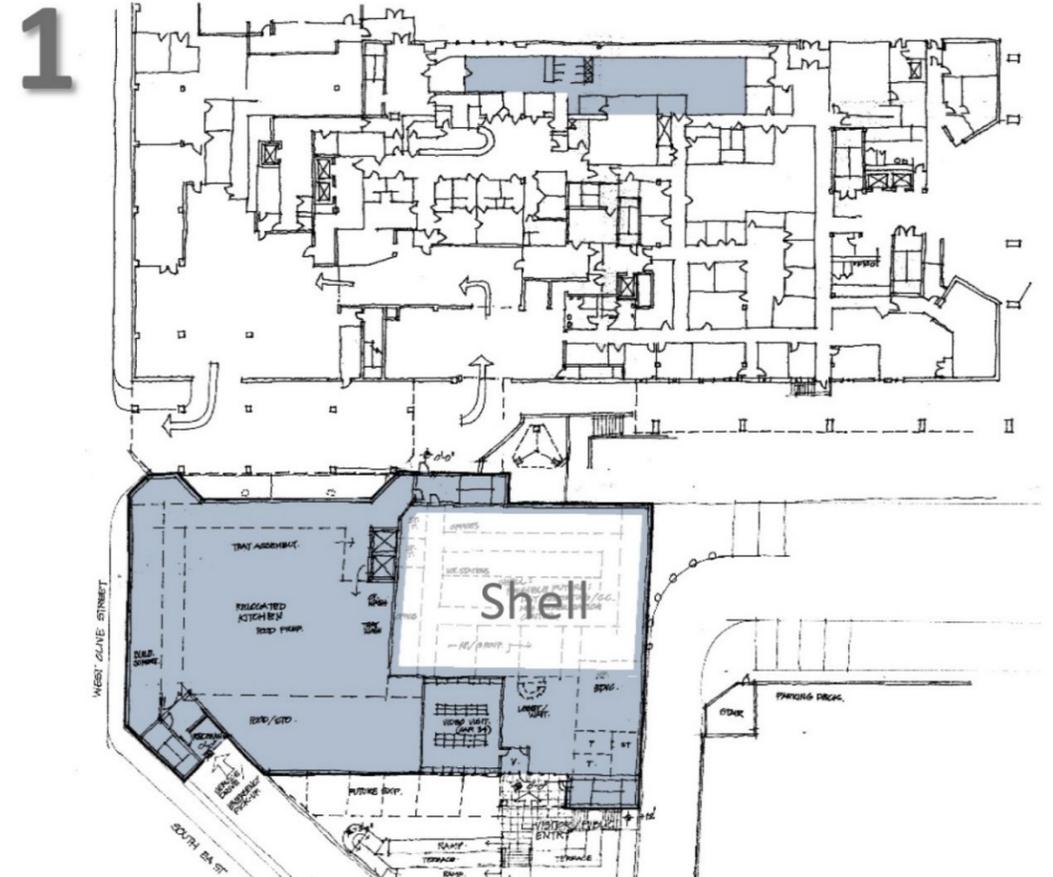

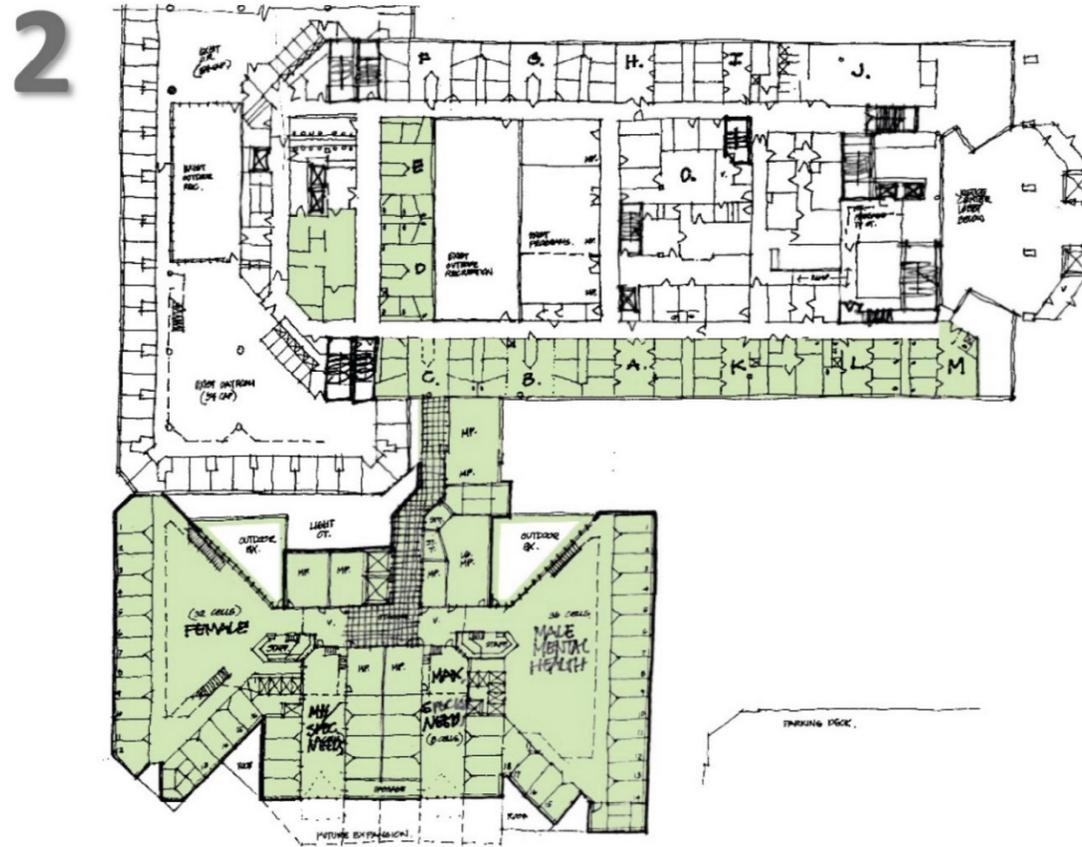

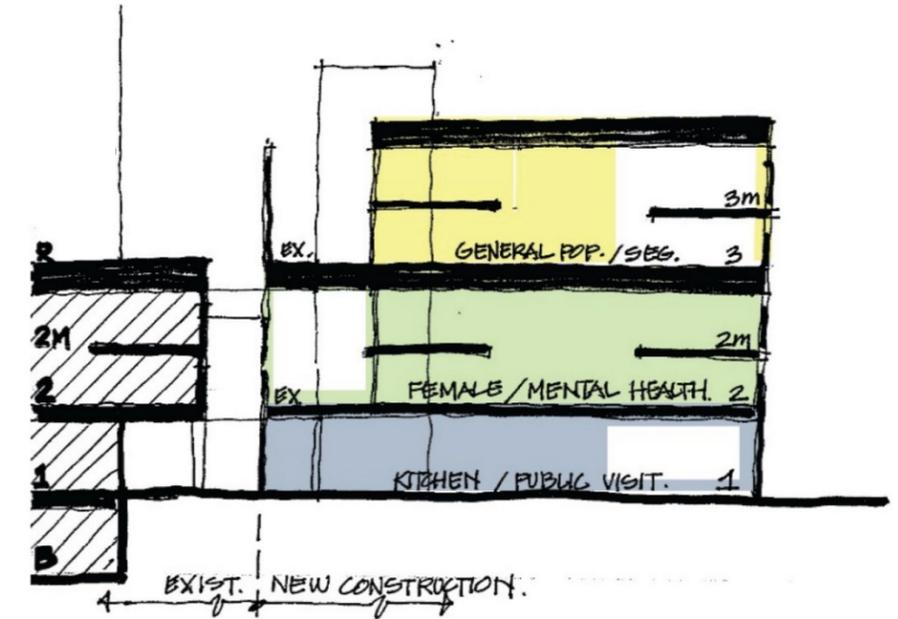

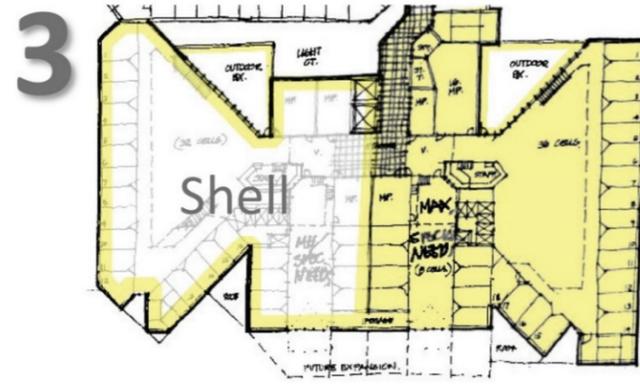

200 cells
268 beds

Option Scenarios

Scenario B

150 cells
167 beds

Option Scenarios

Scenario C

100 cells
134 beds
