THE VISITOR™

ICSolutions® offers The Visitor™ visitation system. The Visitor™ provides friends, family members and professionals the control to schedule and conduct a visit at a time convenient for them and avoid wasting time waiting in long lines or traveling to the facility.

ONSITE and **INTERSITE** (for facilities with more than one site) visitation is conducted using the video terminals located in a facility's visitation center.

OFFSITE visitation is a fee based solution conducted from any internet enabled Windows or Android device. The cost of an **OFFSITE** visit will vary by facility.

Note: Visitors can use their same ICSolutions® account for inmate telephones and charged visitation.
