

# Intellectual and Developmental Disability Collaborative

## ***IDDC Vision:***

The Intellectual and Developmental Disabilities Collaborative aims to create a community where all belong and thrive through continuous transformation.

## ***IDDC Mission:***

The Intellectual and Developmental Disabilities Collaborative will use our collective voice to educate, raise awareness, and advocate for needed change alongside people with intellectual and developmental disabilities and their caregivers.

## ***OUR VALUES:***

Inclusion  
Integrity

Acceptance  
Persistence

## ***DEI STATEMENT:***

- The IDDC respects, values, and celebrates the abilities, characteristics, and perspectives of every person.
- Our strength lies in the diversity of experience, thought, and action among the broad range of people we serve and the agencies we represent.
- Justice, equity, diversity, and inclusion are a foundation for the work we do, and a driver of organizational excellence.
