## **What is the Tax Computation Report?**

The Tax Computation Report (TCR) is a report that outlines the extension for a district. It shows the following:

- EAV of the district broken down by property type
- EAV of any other county that the district overlaps
- TIF increment, if applicable
- Levy request
- Adjusted levy, if applicable
- Maximum rate for each fund, if applicable
- Extended rate for each fund
- Total extension for McLean County
- Total extension for all counties added together
- Whether a truth in taxation meeting was held

Your district will receive a TCR for your review before extension is completed. You should let us know immediately if you see any discrepancies or have any questions. You will be asked to sign off on the totals and return the form to our office. We will post the TCR's to our website when extension is finalized.

An explanation of how to read the report can be found on our website.

If you have any questions, don't hesitate to call Tax Administrator, Tisha McKinney, at 309.888.5184 or email [tisha.mckinney@mcleancountyil.gov](mailto:tisha.mckinney@mcleancountyil.gov).

Thank you.
