

## **Foster Care**

This site provides a background of DCFS in regards to Foster Care. It also offers several “Foster Care Links” where one can find out more. There is also a description on Foster Care Implementation Law Plans in different regions in Illinois.

<http://www.state.il.us/dcfs/foster/index.shtml>

This site provides basic information about foster care. If you want to learn more about the types, steps to take, financial info, and FAQs, this site is for you.

<http://www.adoptinfo-il.org/foster-care/>

This site talks about youth in foster care. They also give information and statistics on teens in foster care that are pregnant as well.

<http://www.publicguardian.org/juvenile/foster-care/mental-health/>

This site talks about foster care and placements. This is the official CASA website as well.
